All She Wants for Christmas Sara Olds

Saving Christmas will take more than Magic.

George Clauson is Santa's daughter, but she can't stand Christmas. All that ho-ho-hoing, caroling and people's greedy wants? No, thank you. She's left the family business and struck off on her own in the human world finding her niche as a humble second-grade teacher.

Ebenezer Herod is a descendent of King Herod. His family has never stopped trying to destroy Christmas. This year they may actually get their wish, but not if Ben can help it.

George wants nothing to do with restoring balance to the Christmas season, and she certainly isn't interested in the shockingly handsome and devilishly rich Ben. A determined do-gooder, Ben's used to saving the day, but he can't rescue Christmas alone. Can George and Ben find a way to work together despite their opposing heritages to make the Season bright?
