“Good Morning, Holy Spirit” is not just another book; it is revelatory writings that was birthed out of a 5 a.m. “wake-up” called by the Holy Spirit. Every morning, for two years, God would awake me to be used as a voice from heaven releasing a Rhema Word to His people. The Word would minister so profoundly to me~ I saw portals of heaven being opened for those who needed to be infused by the Holy Spirit. As God allowed me to share, I saw lives being changed and deliverance taking place. The elevation to higher heights and deeper depths were being demonstrated and manifested in those who had lost their way or who had spiritual “life-line” to launch out into the deep. The black penned words you read are not flesh and blood, but are inspirations of the True and Living God. Open your spirit-man and allow God to minister on a supernatural level – allow God to reignite that liquid fire in your heart, once again. Sit back and enjoy “Good Morning, Holy Spirit” by reading powerful messages that will carry you through the remainder of your week – and always remember, “The Word will work if you work the Word.”
