Pearl of Great Price A Verse-by-Verse Commentary

Although the Pearl of Great Price is relatively short, its scope is remarkably broad, recording revelations to prophets in several dispensations — from Abraham and Moses to Joseph Smith. It provides deep and powerful insights into crucial Restoration doctrines, particularly doctrines relating to the plan of salvation. Three authors who are experts in ancient cultures bring you this verse-by-verse, even word-by-word commentary, the most thorough and reader-friendly treatment available. It will immeasurably enrich your understanding of such doctrines as the nature of God, pre-mortal life, the Creation, the Fall, the Atonement, the establishment of Zion, the Last Days, and the Second Coming.
