A Perfect Wife: International Billionaires V: The Greeks Caro LaFever

A mogul intent on only success. A curious reporter searching for the real story. A journey back to a homeland rejected years ago.

Aetos Zenos wants nothing more than to be left alone to make money. A new acquisition, one he's worked to obtain for years, has finally fallen into his hands and his entire focus needs to be on business. Not a woman.

Natalie Globenko wants only to escape. Escape from the mob who's after her non-existent money and escape from this angry male who found her hiding in his Upper East Side mansion. Yet he won't let her go and she has no other choice but to fall in with his demands.

Both of them find themselves surrounded by a Greek past filled with tragedy and a Greek family intent on drawing them closer. While Aetos finds himself falling under the spell of a siren, Natalie finds herself falling in love with a man who doesn't *do* that emotion.
