Dragons of Vkani (Atrapako on Eden) (Volume 2) Aurora Springer
Rescue mission to hostile planet of scaly aliens

The peaceful Planet Eden is home to a colony of humans from Terra and a small group of alien Atrapako with their spiky crests and colored scales. When the Blue Atrapako, Sa Kamizan Veedak, and his mate, Dr. Lucy Stannis, receive a distress message from his sister, they must undertake the perilous mission to rescue her from the war-torn planet of Vkani. As an exile, Sa Kamizan risks death if he is recognized, while the humans face slavery or worse if they are captured. His motley crew of Atrapako and human scientists will need all their skills to combat treachery by brutal warlords and survive the hostile environment.

If you enjoy science fiction adventures with battles and betrayals mixed with romance and scientific explorations, read Book 2 in the series, Atrapako on Eden.

The meeting and earlier adventures of Sa Kamizan and Lucy are described in Book 1, **The Lady is Blue**.
