THE COMPLETE SERIAL - NO CLIFFHANGERS

Raine Greer has moved to the woods outside the tiny town of Freemont, Washington, to start a new life — but peace and quiet elude her when she discovers her neighbors are the world's last pack of werewolves. And they're led by their Alpha, Alec Zachary — tall, dark, gruff, and impossible to resist.

Alec has problems of his own. His pack is a gang of dangerous misfits who have trouble following orders, and one of them is missing. The secrecy of the pack is under threat. Mating with his sexy new brunette neighbor won't solve anything, but he wants to do it anyway. And then there's the fact that the full moon is coming, and the entire pack of shifters will turn into killer predators for one deadly night...

Full Moon Rising: Part One

The shocking events of Raine's first night in town initiate her into the secrets of the werewolf pack - and its sexy Alpha, Alec Zachary.

Alec deals with the pack's problems while trying to resist his smart, gorgeous new neighbor - until he's thrown together with her in the biggest crisis in pack history.

Full Moon Rising: Part Two

Raine resists the pull of the pack after a rogue werewolf attack. Though she wants to, she can't quite stay away.

The pack is in trouble, enemies are coming to light, and the mystery of Ethan's disappearance has not been solved. Her relationship with Alec is lighting on fire. And when she comes across some dangerous information, she must make the choice whether to share it or keep it to herself.

Full Moon Rising: Part Three

Raine has stepped into the role of leader of the werewolf pack—and into the bed of its sexy Alpha.

When the moon turns full, Raine sees the beast in her new boyfriend for the first time as the pack turns—and hunts. She must head off a group of rich big game hunters risking the pack's secrecy. And Alec must pursue what happened to his missing pack mate, Ethan, while taking Raine on the date from hell.

Full Moon Rising: Part Four

In the hunt for Ethan's abductor, Raine and Alec must take a trip to the seedy side of Freemont.

When Raine follows a lead on her own, she finds herself in a dangerous strip club with no backup. And she discovers that one of the pack has been hiding secrets from everyone. The trail she's following could change the pack forever.

Full Moon Rising: Part Five

Helsing discovers a devastating fact about Raine that makes her a threat to the entire pack. Forced to choose between the mate he loves and the safety of his pack, Alec makes a decision.

The pack must band together to take revenge on Ellis Rathburn. They formulate a plan that gathers everyone at the Cougar Club, a local strip joint, where questions will be answered once and for all.

Full Moon Rising: Part Six

After the devastating events at the Cougar Club, each member of the pack must face the future—together or separate. Raine and Alec must decide whether they can be together, or whether their love threatens the pack's future. Life and death hang in the balance, and the decisions made now will affect them forever.

It's not sure who will out alive. Because once a werewolf gets under your skin, he never lets you go...
