Hamilton: The History Behind the Revolutionary Musical Kristine Dawson

With a name as commonly forgotten as “Hamilton” and with only as much time as in a performance or soundtrack to explain an entire life, a few things fall through the cracks. Not every line can be explained in detail, and some facts must be glossed over or manipulated in order to create the best show possible. For those who have wondered what they missed in the translation from textbook to showstopper, this book is for you. Delivered in a way that is understandable yet thorough, the events of the musical are explained through a more historical lens. It is separated into two acts, just as the musical is, with each chapter covering a portion of the musical and of Hamilton’s story. Discover the true story of Alexander Hamilton today!
