**Philosophy of the Economy: An Aristotelian Approach: 0 (SpringerBriefs in Philosophy)** Ricardo F. Crespo

This book develops a philosophical analysis of economic reality and economic science from an Aristotelian point of view. It is the result of many years of thinking and philosophical study about these topics. It differs from other philosophy of economics books as it also deals with economic reality (not only the science) and approaches its subject from an Aristotelian perspective. It differs from other Aristotelian studies about economics as it covers the whole of philosophy of the economy. This book argues why Aristotle's thinking guarantees an appropriate interdisciplinary synthesis.
