The Trap King's wife (Volume 1) Jahquel J

Tiana is a single mother of newborn twins Pride and Joy. She's trying to hold everything down while her baby daddy serves a ten year bid for drug trafficking. The last thing she's looking for is love. Between working and taking care of her daughters she's stretched thin. One night by chance she meets Jaeshawn, a thug in his own right. Jaeshawn aka Larry Bird runs everything from New York to Virginia and everything in between. All he wants is a woman to call his own, but that woman isn't his baby mother, Kaysha, who wants to make her family work. Kaysha and Jaeshawn have a one year old son, Keyshawn who Kaysha uses as a pawn against Jaeshawn. Maddie is in a hateful relationship with her man, Jared. Jared is mentally and physical abusive, and has a terrible jealousy problem. He forbids Maddie to hang with her best friend, Tiara, and keeps tabs on everything she does. When Tiara introduces Maddie to John, an Arabic God , who is also Jaeshawn's right hand, she doesn't think it will go far, but boy is she wrong. Jared, Dyron and Jamal are all friends and have one thing in common: Dread. Dread runs Queens and has an beef with Larry Bird. But when Jared , Dyron and Jamal start landing in trouble, and Dread is the common denominator, things go haywire. When Tiara enters Jaeshawn's world one cold winter night, his entire worlds changes. He sees her right to take the throne beside him as the trap king's wife.
