#1 *New York Times* bestselling author Susan Wiggs sweeps you away with this beloved story of a fairytale holiday romance...

Ace reporter Jack Riley loves his job, or at least he did until Madeleine angston took over as publisher for the *Courier*. The perfect blonde ice queen is a daunting presence in the newsroom and an irresistible distraction, despite Jack's determination to avoid her as often as possible. Even if it means boycotting her fancy Christmas party.

Then a chance encounter with a stranger transforms Jack from a scruffy journalist into a debonair Texan in a tux, and he suddenly finds himself at the center of Madeleine's attention. As they embark on a fairy-tale evening together, Jack realizes that Madeleine isn't the woman he thought she was...but unfortunately, she no longer recognizes *him* in his new "Prince Charming" attire! Will Madeleine still be able to love the man behind the suit when she discovers who he really is?

Previously published as *Cinderfella*.
