Angelina Jolie and Brad Pitt star in a slick romantic adventure comedy in the vein of *True Lies* and *Prizzi's Honor*.

After winning free sessions with a marriage counsellor as a grab-bag gift at a suburban holiday party, a young couple discovers that they're in a dead-end marriage. But that's not all they discover – unbeknown to the other, each spouse is a covert assassin working at a rival agency, and their next assignment is to kill each other! This book tells their wild story as each confides it to their therapist.
