Putting the wild into wilderness...

New Zealand adventure guide Rogan Quinn doesn't deny he's a commitment-phobe. He learned long ago that there is nothing more dangerous than love. But that doesn't mean he won't indulge in pleasure where he finds it, and his newest client looks like she's badly in need of a lot of pleasure.

Psychologist Claudia Mathison has brought five of her phobia-suffering patients into the wilderness hoping for a breakthrough, not to mention a break in her career. Instead, Rogan invites her on an adventure—and she has no doubt that the sexy Kiwi can take her higher and further than she's ever been. But Claudia has a fear of her own...that if she takes that adventure with him, she won't be able to find her way back. Or worse, she won't want to.
