Amber Page and the Legend of the Coral Stone Stacey Cochran

On the island of Maui in Hawaii, a sixteen-year-old international spy named Rio Kayenta discovers a two-thousand-year-old coral stone. Legend has it that the stone is meant for a girl named Amber and that with it, she can stop the evil S.H.R.O.U.D. organization.

Amber Page lives in the Arizona desert and wants one thing more than anything else in the world: to see her mom and dad back together again. Amber's mom is a school bus driver who has split with her dad, but Amber believes the two still love one another.

When a strange old man stops at nothing to tell Amber that the legendary stone is meant for her, it frightens her and her family deeply. It is a race against the clock to get the stone to Amber and to see if she will realize its legendary powers. For with the stone strengthening her, Amber may be able to save her family and the world.
