Life can be a little complicated when your boyfriend sucks, your best friend since elementary school is basically the man of your dreams, and a totally gorgeous rock star is pursuing you cross country and you have no idea why. Oh, and you're kind of addicted to pizza and a full moon is around the corner.

This is my life right now. Maybe I shouldn't have decided to go on tour with Bad Moon as their manager. Maybe I should have stayed in my hometown and looked for a marketing job with good benefits and a 401k. All I can say is that my bachelor's degree and color-coded planner can't protect me from the fiery throes of rock n' roll, lust and werewolves...and I kind of like it that way.

This book contains steamy sex between amazing adult characters (18+). Not for the faint of heart! Book One of the Bad Moon Series.
