Just Walk Across the Room Participant's Guide with DVD: Four Sessions on Simple Steps Pointing People to Faith Bill Hybels

In this four-session small group bible study, *Just Walk Across the Room*, author and pastor Bill Hybels equips you and your small group with simple, practical ways to share your spiritual journey.

In it, Hybels shares his firm conviction is that the highest value in personal evangelism is being attuned to and cooperative with the promptings of the Holy Spirit. This means playing only the role one is intended to play?walking when the Spirit says to walk, talking when the Spirit says to talk, and falling silent when the Spirit suggests that you've already said enough.

According to Hybels, the goal for every Christian is to reflect Christ's love and follow his example by stepping outside one's circle of comfort and extending a hand of care, compassion, and inclusiveness to people living far from God.

The DVD includes four video sessions that expand on the teaching from Hybels' book of the same name, as well as personal testimonies of lives transformed by the Holy Spirit. Also included are all the sermon and promotional materials needed for churches to successfully launch and sustain a four-week whole church campaign.

When used together, the *Just Walk Across the Room* Participant Guide and companion DVD provide you with a practical tool that can help grow your faith.

Sessions include:

Session 1 – The Single Greatest Gift

Session 2 – Living in 3D

Session 3 – The Power of Story

Session 4 – Grander Vision Living
