Love Never Dies Karina Machado

"Unable are the loved to die. For love is immortality." - Emily Dickinson

This is a book about the indestructability of love.

Journalist and author Karina Machado spoke to over 60 Australians with stories of post-death contact. She shares their life-shattering experience of loss, and shows how their spiritual contact with a deceased lover, friend or family member brought peace, hope and the solace of knowing that their connection lives on. There is the story of a teenage boy who appears in bodily form on the eve of his funeral to bring comfort to his sister. A young husband returns to his widow in time to prevent another tragedy. A grandmother arrives to lovingly care for the infant children of her grief-stricken daughter. A man soothes his heartbroken brother with an otherworldly embrace.

Written with grace and compassion, *Love Never Dies* is as much about the power of loving relationships as it is the phenomenon of the survival of consciousness beyond death.
