Joan Davis:

As a college student I exactly feel bored in order to reading. If their teacher inquired them to go to the library or to make summary for some publication, they are complained. Just small students that has reading's internal or real their pastime. They just do what the educator want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as

can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like.
