## **Suspect Behavior (Boys in Blue Book 4)** Jean Louise

Officers Wry and Earnest are ordinary cops. But there's nothing ordinary about their job.

Pete, a veteran officer, has been training his rookie partner for quite a while. Using standard procedure—and some not-so-standard methods—he's grooming Jim to be an excellent cop. They handle their calls, from the silly to the serious, with professionalism tinged with compassion and humor.

Erratic drivers, troublesome neighbors, squabbling business partners—the officers deal with numerous routine calls on their watch. And yet, they still manage to stumble upon a few serious cases, including a minor drug operation and a local business whose practices have international consequences.

Fourth in the Boys in Blue series.
