The Challenge to Scholarship: Rethinking Learning, Teaching and Research (Key Issues in Higher Education) Gill Nicholls

The Challenge to Scholarship is a lively and engaging investigation that seeks to establish what it means to be a scholar and the value of scholarship. It addresses current concerns and tensions including the scholarship of teaching and the relationship between teaching and research.

Gill Nicholls gets right to the heart of the debate over scholarship and declares that a reconceptualization of scholarship within universities is required, outlining the changes involved and the practical implications for higher education institutions of the future.
