We live in a time of great racial strife and global conflict. How do we work toward healing, reconciliation, and justice among all people, regardless of race or gender? In *Embracing the Other* Grace Ji-Sun Kim demonstrates that it is possible only through God's Spirit.

Working from a feminist Asian perspective, Kim develops a new constructive global pneumatology that works toward gender and racial-ethnic justice. She draws on concepts from Asian and indigenous cultures to reimagine the divine as "Spirit God" who is restoring *shalom* in the world. Through the power of Spirit God, Kim says, our brokenness is healed and we can truly love and embrace the "other."
