This is not the fake, Hollywood-style Sleepy Hollow American television series. This is the true, terrifying story. **Hollow Blood!** Book One of the debut Sleepy Hollow Horrors by Austin Dragon. Ichabod Crane is dead! Everyone knows it. The Horseman took him—like so many others—one dark night in 1790. All that remained of the town's amiable schoolmaster was his hat on the side of the road, with a shattered pumpkin beside it. But soon the fearful townspeople of Sleepy Hollow realized that the terrifying Horseman, that haunted their region for ages, had also disappeared, inexplicably, after that night. They were free! That was 10 years ago. And a lone stranger has come to their quiet town. He is friendly enough, well-mannered, educated, but there is a secret about this man—he is not what he seems. Suspicions grow. The whispers of gossip begin. All of Sleepy Hollow is soon turned upside-down when they learn the truth. It is only the beginning, as they find themselves in the path of his black vengeance, his hunt for the foul murderer of Ichabod Crane. This stranger threatens not only their lives by his presence, but their very souls by bringing about the return of the hellish Headless Horseman! For Sleepy Hollow, will death be upon them all?
