A USA Today and Amazon Top 25 Bestseller.

The first three exciting novels in the Lexi Graves Mysteries now available in omnibus edition. Includes:

## Armed & Fabulous

All Lexi wants to do is get through the day at her boring temp job with Green Hand Insurance. That's until she discovers the vice president, Martin Dean, in a pool of blood and herself at the center of an investigation into insurance fraud.

Millions of dollars are missing, the chief suspect is dead and her mysterious, sexy, new boss is not what he seems.

Recruited by the joint task force working on the case, all Lexi has to do is work out who killed Dean and where the missing millions are. That's easier said than done when her sister insists upon the baby shower to end all baby showers, her wise-ass cop family just wants to keep her safe, someone keeps leaving her creepy gifts, and all the clues point to a seedy sex club on the wrong side of town.

As the bodies start to pile up, Lexi is on a race against time to find the killer and the money, before she's the next one in the murderer's sights.

## Who Glares Wins

Only a few weeks into her new job as a private investigator, Lexi Graves thinks she may have bitten off more than she can chew with her first solo cases.

In between going undercover as a plush pony at a "Bronies" conference and following her cheating brother-in-law, she's got a saboteur-turned-killer to catch and a missing woman to find. Two of her cases may be connected, but how? There's no short list of suspects to investigate, but the closer Lexi gets to the killer, the more her life is put in jeopardy. Trying to avoid being framed for a murder she didn't commit, Lexi knows her luck is running out.

To make matters worse, her boyfriend, sexy detective, Adam Maddox, thinks she's out of the PI game faster than she got into it. Her boss, the mysterious Solomon, meanwhile, hopes to get her between the sheets by night, as well as solving cases by day, and Lexi's "just say no" resolve might not be as fortified as she believes.

All she wants is to be taken seriously and there's only one way she can do that—solve the cases, no matter what.

## Command Indecision

A young woman is dead. The main suspect is in custody. And Private Investigator, Lexi Graves is on the warpath.

Lexi finally feels like her life is on track. With a great job that is made to measure and the perfect boyfriend, it takes all of a few shocking minutes for everything to start falling apart.

Angry and hurt at her boyfriend, Detective Adam Maddox, and his apparent betrayal, Lexi embarks on an undercover job at a nearby military base. Charged with finding evidence that the man accused of killing the young civilian employee isn't the real murderer, Lexi just hopes to lose herself in the case. She wants to put

the past behind her and heal her broken heart.

Maddox, however, keeps popping up during her investigation; and her boss, the mysterious Solomon, appears to be the perfect tonic for her heartache. Lexi soon finds it increasingly hard to keep her mind on the job.

As clues point towards the victim's dangerous double life, the secrets mount, and time is running out. With Maddox's betrayal not all it seemed, it's up to Lexi to learn the truth, and put the real murderer behind bars.
