Tales from the Edge: Preacher Man (Needles Saga Story 1) (The Needles Saga) Peter de Lannoy
The Needles in the Black Hills of South Dakota are one of the most mysterious and mystical rock climbing areas in the world. Tales from the Edge and the series of short stories called The Needles Saga tells the stories of the larger than life characters that defined the climbing in this amazing region during the 70's and 80's. The stories are based on true events but have been fictionalized to enhance the lore and the magic of the era. The short story Preacher Man transports you to The Needles in the early 80's during a few days when Paul Muehl and Peter Delannoy risked it all to climb Beecher's Balls located deep in the mystical forests of the southern Black Hills. The story is raw and irreverent and for a time the reader will feel the wind in their face and cold sweat on their palms and glimpse a day in the life of a Needles climber.
