The Political Economy of Development and Underdevelopment

Charles K. Wilber, Kenneth P. Jameson

The Political Economy of Development and Underdevelopment Charles K. Wilber, Kenneth P. Jameson

This popular reader focuses on the complex problems and even more complex solutions of economic development of underdeveloped countries within a changing international context. Transcending the free-market designs of neo-classical economics and offering a broad view of development, this text effectively captures the more inclusive political economy approach which examines the political and social factors affecting development. A total of 38 articles are included.
